

All About Tours

April 10, 2017

All About Travel has changed their name to All About Tours, and they have updated their URL we use for Live Connect:

<https://www.allabouttours.com/trams/clientbase.rescard>

For ClientBase Windows users, go to **Utilities | Live Connect Providers**. Find and click on All About Travel and click Modify. Enter the new URL, modify the name to All About Tours and click Okay.

For users that have ClientBase Online only, go to **Tools | Settings | Live Connect Providers**. Select the entry for All About Travel, then click Modify. Enter the new name and URL and Save.
