

Vacation Express

April 7, 2017

Vacation Express has had a change in URL used to connect to their site for Live Connect.

<https://pro.vacationexpress.com/res/STWMain.aspx>

ClientBase Windows users: Go to **Utilities | Live Connect Providers**. Find and click on Vacation Express and click Modify. Enter the new URL and click Okay.

ClientBase Online users: Go to **Tools | Settings | Live Connect Providers**. Select the entry for Vacation Express, then click Modify. Enter the new URL and Save.
