

# Script Writers

Sabre’s goal is to match its customers with competent companies that have a proven history they can work with our products. While Trams Back Office and ClientBase Product and Services customers have had success in working with these companies, Sabre does not own or control the companies and organizations listed. Therefore, by using these companies, our customers understand, acknowledge and accept that Sabre cannot be held liable or responsible for any adverse event that takes place with the companies listed. Choosing a company or organization is strictly voluntary and done so at the sole risk of the customer.
