

Fare Savings by Reason Code-

Fare Savings report that is sorted by Reason Code and can be run for one client, a group of clients or all clients.

Modified to run for a specific Fare Basis code on 02/13/07.

Modified to run as an exception report that only prints when High Fare and/or Low Fare is equal to zero. Sorting is by Client name when run for All Clients and disregards the reason code. Date of Modification: 06/29/07.
