

Segment Breakdown for the Executive Summary Report – Single Client

This report displays the detail or summary information that makes up the Segment table for the Executive Summary Report – Single Client.

Display Detail:

City Names	Period 1 Segments		Period 2 Segments		
Invoice No.	Ticket No.	Airline	Passenger Name	Depart Date/Time	Arrival Date/Time
	Invoice Date			Departure City	Arrival City

When printed in detail, only the Air Segments with city names will be displayed. The detail under the segments listed as "Other" will not be displayed.

Summary display is the same as the Segment table of the original report.
