

Commission Projections - Travel Consultant

List of Commissions Due from top number of Travel Consultants for the Period Covered by the query.

Always uses difference between a date you select as Starting Paydate and Trip Start Date to calculate and present the period in which payment will be received.

When Travel Start Date is prior to the set Starting Paydate, the amounts will be included in the first column.

Payments can be lagged by entering # of days to add to the Trip Start Date for expected payment.

Uses data only within Res Cards for this Reports

Covers Maximum of 18 months.

Selection Criteria

Starting PayDate - All payments will assume this is the first day payments will be received. (normally current date)

Date Range to Be Used in Selecting the Transactions.

Res Card Create Date

Res Card Start Date (Trip Start Date)

Reservation Date (Booking Date)

Selection of All or one Supplier

Enter # of Days to add to the Trip Start Date for projecting commission payments receipts.

It also provides the option to use any or all Travel Categories

Commission Projections - Travel Consultant
