

Report Writers

Sabre's goal is to match its customers with competent companies that have a proven history they can work with our products. While *Trams Back Office and ClientBase Product and Services* customers have had success in working with these companies, Sabre does not own or control the companies and organizations listed. Therefore, by using these companies, our customers understand, acknowledge, and accept that Sabre cannot be held liable or responsible for any adverse event that takes place with the companies listed. Choosing a company or organization is strictly voluntary and done so at the sole risk of the customer.

<p><u>Mageloff Consulting</u> Nick Mageloff, ECC, TCC <i>Phone: 407.321.0577</i> <i>Location: Orlando, FL</i> <i>Email: Use website</i> <i>Website: www.mageloff.com</i></p>	<p>History: IT Consulting since 1983, Travel Professional since 1989, TCC Since 2007. Uniquely qualified and experienced to deliver maximum benefit to your agency.</p> <p>Expertise: Creation of custom reports or modifications to existing TCR (TRAMS Crystal Reports). Crystal Reports will work with your ClientBase and/or Back Office data.</p> <p>Extensive experience in designing highly complex audit reports. A custom report does the auditing for you while saving you lots of valuable time. Audit reports give you just the problems and may combine unrelated data types from various systems like VOIP making life much easier and more efficient for you.</p> <p>Pricing: Hourly rates with discounts available depending on the project.</p>
<p><u>Shelley Consulting</u> <i>Phone: 281.335.1774</i> <i>Email: bill@shelleyconsulting.com</i> <i>Website: www.shelleyconsulting.com</i></p>	<p>PRODUCT NAME: Custom Crystal Reports for ClientBase and Trams, Custom ClientBase Invoicing</p> <p>PRODUCT DESCRIPTION - Reports are customized using your database to give you the results that you desire. Most of the reports we write are exported to Excel or CSV files for further manipulation, but many reports are saved as PDF files and emailed, or just printed. I have extensive knowledge of ClientBase and Trams database, tables, and data structure. Previously written reports range from group manifest, city pair and segment reports, rooming lists to customized data import routines to pull data from ClientBase and insert into other software.</p> <p>PRICING - By the hour. Jobs are scoped and estimated in advance. No work is done until approved by you.</p>
